**Report of orientation session**

Dr. Manju Devi. S, an innovation ambassador from Biochemistry & Nutrition department of Bhavan's Vivekananda College of Science, Humanities, and Commerce has organized an orientation session for P.G life sciences students. The topic of the orientation session was 'Career Pathways in Life Sciences- Role of Research institutes and Incubation Centres'. She explained about the career opportunities available in research institutes and life science incubation centers. The various competitive exams for research opportunities and the projects in the life science incubation centers were also detailed to the students. A total of 51 M.Sc Biochemistry and Microbiology students attended the program. The lecture was well received by the students.
