### **TOPIC: Reorganization of Jammu and Kashmir- Reforms Ahead**

As per the recent removal of Article-370 and 35A, a debate competition was conducted by Centre for Excellence to know about the views of students regarding the hot topic.

The Chief guests for the program were Mr.Nithin Chandra Bharadwaj and Dr. Sandhya Das. Principal Sir Dr. Y. Ashok actively attended the session and enlightened us with his views on the topic. The program was headed by Dr. D. Sanjeeva Rao Sir. The other faculty members present were Mrs. P. Sarada Mam, Mrs. Sreedevi Mam and Mr. Kondal Reddy Sir.

**“Reorganization is the best way to create illusion of progress by creating Demoralization of sensitive ones.”**

- Sparsh Dave

Around 20 students participated in this competition. Some of the opinions put across during the debate were as follows.

Delimitation of fixed limits of territorial constituencies like Jammu, Kashmir, Ladakh can lead to overall progress of these territories as many of the rights like reservation rights for minority segments of the society.

J & K has its own constitution and administrative autonomy which deprives the locals from many of the rights related to Indian constitution.

Whereas some people have opinion that reorganization of Jammu and Kashmir rattles to revoke special status for people of the state. This is against the democracy. The Higher authorities of the state should be addressed regarding the concern and their views regarding reorganization should be taken into consideration.

The participants came up with different aspects of the situation for the betterment of the nation which gave a scope for broader retrospective of the situation.
