

**BHAVAN'S VIVEKANANDA COLLEGE  
FUSION  
TECH- BCA CLUB  
Department of Computer Science**

**Runtime Terror**

The Fusion Tech Club under the Department of Computer Science hosted an event named **"RUNTIME TERROR"** on **June 4 2022, exclusively** for BCA, BSc Physical Sciences, BSc-HDS of 1st,2nd and 3rd years.

Class-to-class announcements in the above-mentioned departments was made, and registration links were sent across to the various class groups.

On-the-spot registration was also available near the IT block on campus. A total of 135 people signed up for the event.

The competition consisted of three rounds.

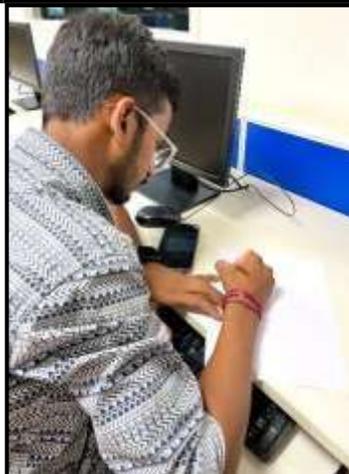

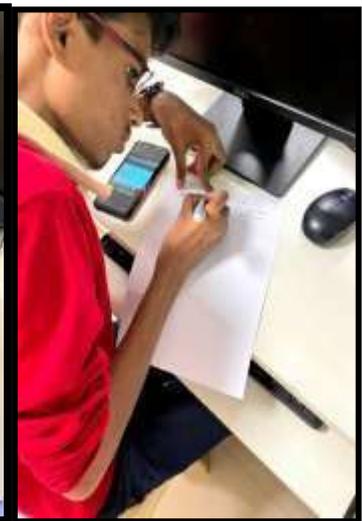

**Round I- Quizzard:** It was an online mode Technical Quiz. It included technology-related questions to assess the participants' technical expertise. 135 participants took part in this round. They were given questions via Google forms, which they were required to fill and submit within a given time.

**Round II- "See but can't see":** This round had HTML code. 25 participants were qualified from round1 for this round. The participants were required to turn off their computers and input the code displayed to them within a set time limit. Based on the number of errors, and the final output which also could be approximate, participants were shortlisted for round 3.

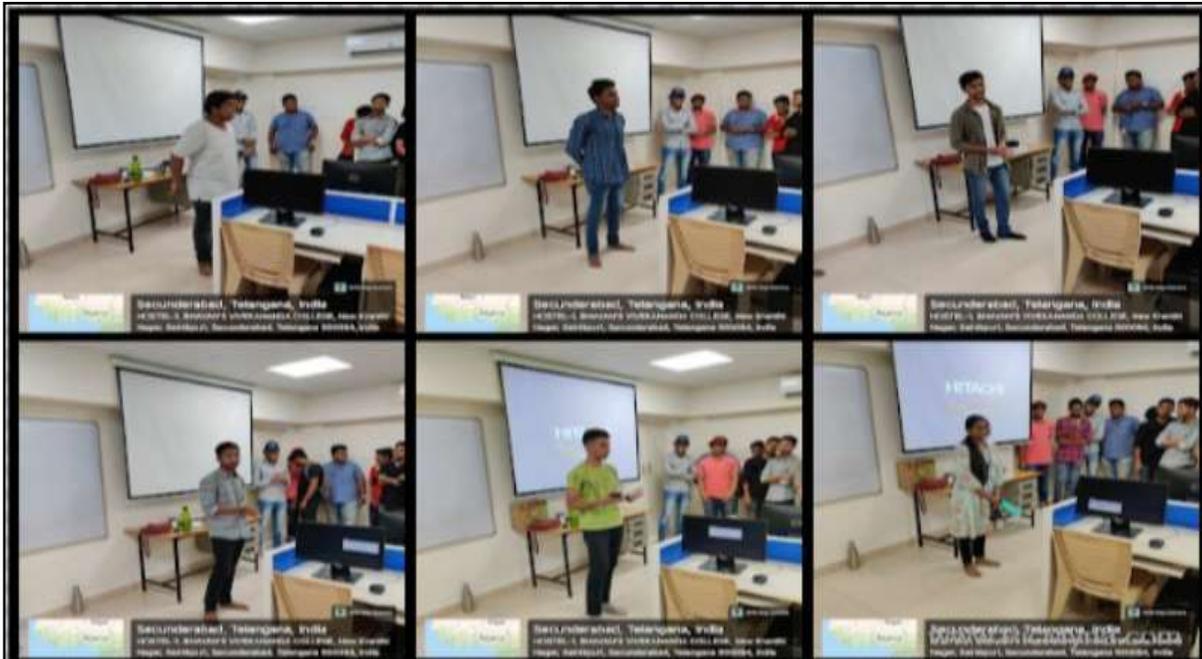

**Round III- "You Can't C Me":** This round began, with 18 participants qualifying from round two. It was based on C programming, and participants were shown the output of a program and had to type the code within a time limit while their screens are turned off.

Judges Mr.Saumesh Routray and Ms.J.LakshmiVydehi, Lecturers, Department of computer Science ,  
did a comprehensive review for each round.

The event came to an end with the participant feedback session and a photographic session. The participants appreciated the activities conducted as part of this event where they could test their technical skills, and requested for more of such events to be conducted.

**The winners of Runtime Terror are:**

**B.Divya Padmavathi, a first-year BSc MSCs student bagged the 1<sup>st</sup> position.**

**Neeraja Goli, a second-year BSc HDs student bagged the 2nd position.**

**Anirudh Kumar, a third-year BSc MPCs student bagged the 3rd position.**

**BHAVAN'S VIVEKANANDA COLLEGE**  
**FUSION TECH- BCA CLUB**  
**Department of Computer Science**

**"TECHNO TASKETEERS"**

The Fusion Tech Club under the Department of Computer Science organized a technical fun-based event known as " Techno Tasketeers " for the year 2021-2022. The event was held in 'offline mode' and was only open for BCA 1st, 2nd, and 3rd year students.

The main intention of the event was to bring out the spontaneity of students in coding. The event began with the circulation of google forms and notifications to recognized class groups in order to allow interested students to register individually. A total of 65 registrations were received.

Based on the number of registrations all the participants were grouped into groups of three.

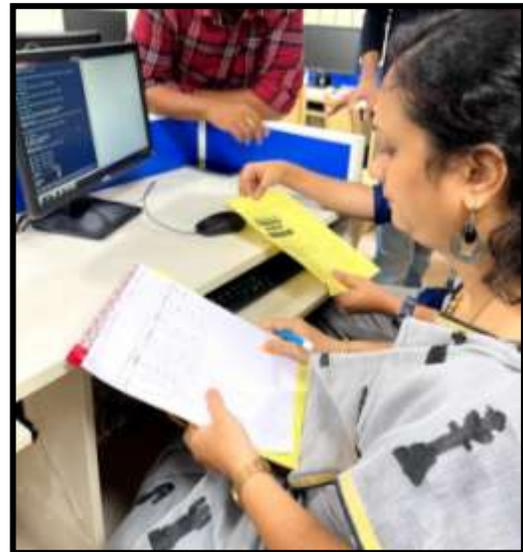

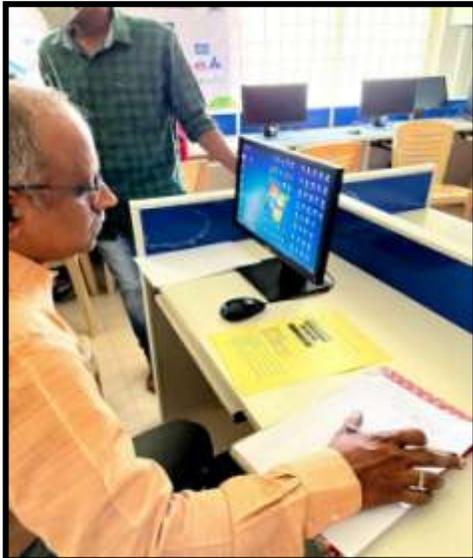

The event was held at one of the computer science labs where the teams were given three tasks to complete.

The tasks were related to C programming, RDBMS, and web design. Within the time restriction of 60 minutes, the teams were meant to finish executing the questions given respectively..

Mrs. Amitha.M and Mr. N. Bhaskar, faculty of Bhavan's Vivekananda Degree College, applauded the teams' participation and performance at the end of the event.

**WINNERS ARE:**

1st prize is bagged by **Abraham from BCA 3rd year and Jyoshna from BCA 1st year.**

2nd prize is bagged by **Shoeb Khan from BCA 1st year, Nithin Sikinam from BCA 2nd year and S. Lakshmi Prasanna from BCA 3rd year.**

3rd prize is bagged by **Mohammad Chand from BCA 1st year, Gathamaniya Hasan Ali from BCA 2nd year and Rehan G Moinuddin from BCA 1st year.**

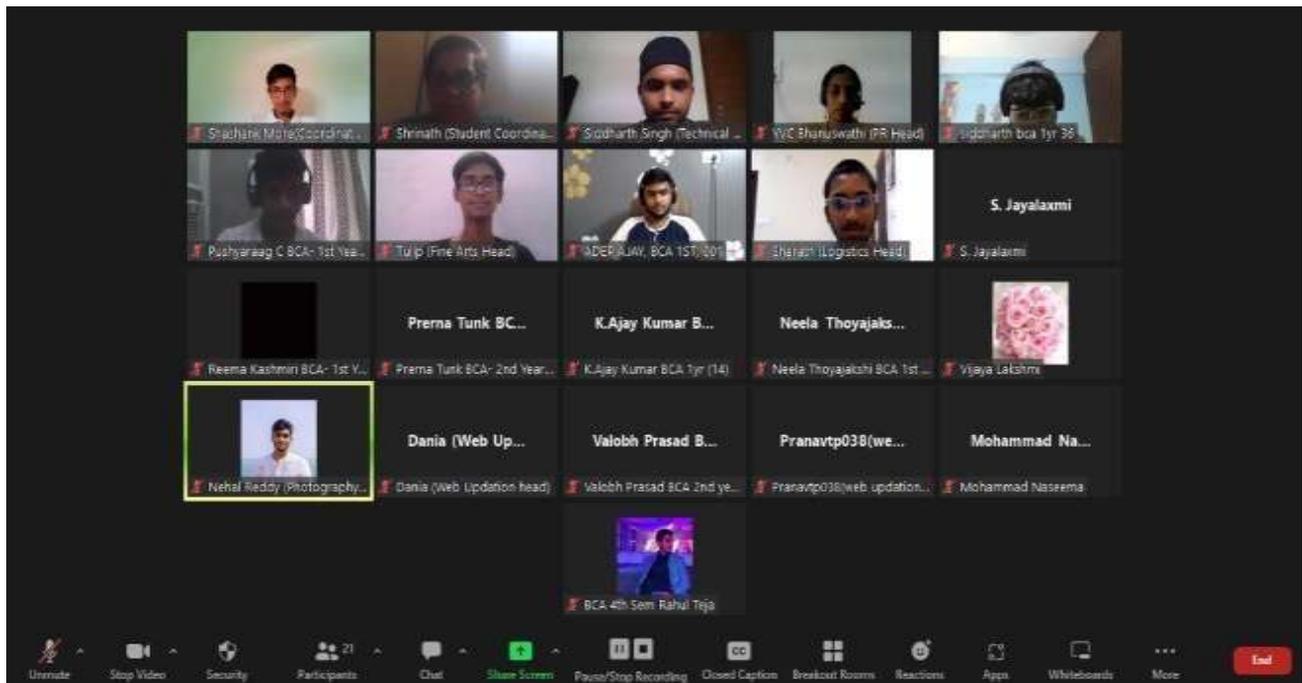

**3rd prize is also bagged by ,**

Anumathi Singh from BCA 1st year, **Adep Ajay from BCA 1st year and Akhil Reddy from BCA 2nd year.**

# SPEAKER'S ARENA

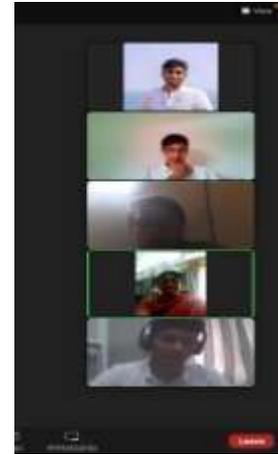

The Fusion Tech Club under the Department of Computer Science organized an online event called "Speaker's Arena" exclusively for all BCA students on 19 May 2022. It was held in Zoom application and the participants were given subjects to discuss and express their opinions on during this interactive and engaging session.

This event began with a registration process for all interested participants. The class groups were given Google forms to fill out. There was a total of 30 student registrations.

There were basically two rounds to the competition. The first one was Debate, in which teams represented students from the first, second, and third years of BCA. They were divided into rooms at random, with a time constraint of 12 minutes, and given themes on current IT topics to share their opinions on.

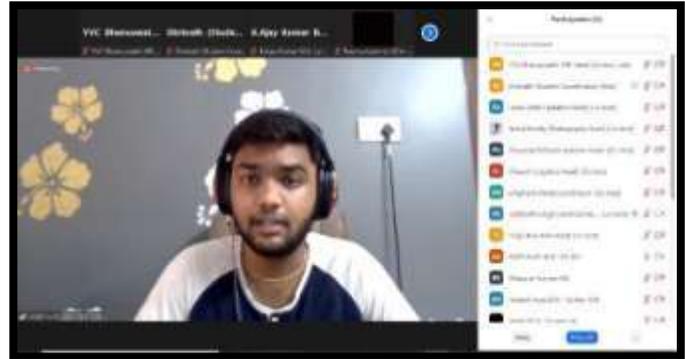

Shortlisted students participated in the second round which was “Just a Minute” session, in which participants were given on-the-spot topics and were permitted one minute to speak on them.

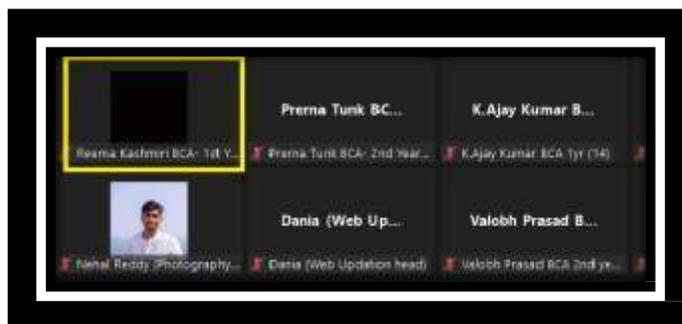

### **Winners of the Event are:**

1st Prize -  
**Siddharth from BCA 1st year**

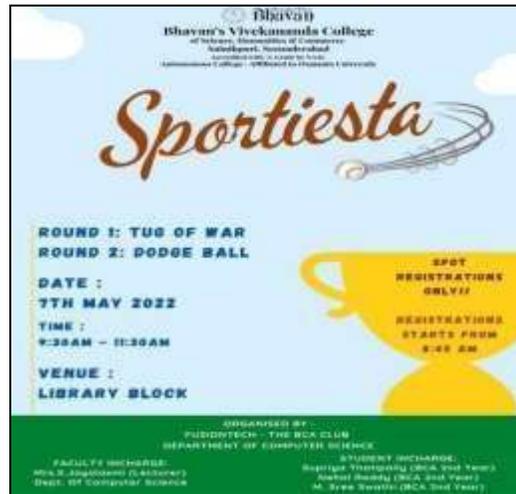

2nd Prize -  
**Adep Ajay from BCA 1st year**

3rd Prize by **Reema Kashmiri from BCA 1st year.**

# SPORTIESTA

The Fusion Tech Club under the Department of Computer Science organized an offline teambuildingactivity called "SPORTIESTA " exclusively for all BCA students on 7 May 2022.

A sport based event which included games like tug of war and dodge ball. A total of 40 participants actively registered themselves for the event on the same day. Students were randomly divided into 4 teams(A,B,C,D) from BCA 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year. The event was organized in two rounds and the winners of the each were declared separately.

The first round of tug of war between teams team A Vs team B and followed by team C vs team D.

The winners from the both the sides went against the each other in finals ie ( team B vsteam C)  
C) The winners for tug of war were team B.

Then followed by the other game ie dodge ball was conducted. It was again a team based game with same 4 teams. Firstly team A went against team C followed by team B vs team D.

The winners from the first round were team A and team B and the final round was conducted between them and the winners of dodge ball were team A.

The Team who could successfully complete the (Tug of war ) and bagged the **first position** were **Valobh , Parthasaradhi , Vishnu Vardhan , Anumathi , Ajay , Harsha , Rehan , Anvesh Reddy , Sumana , Anish**

And the team who successfully completed and won the (Dodge ball ) game was **A. Siddhini , C. Pushyraag, Yashwant, Karthik , G. Dinesh , Vivek , Jude antony , Abraham , A. Srija .**

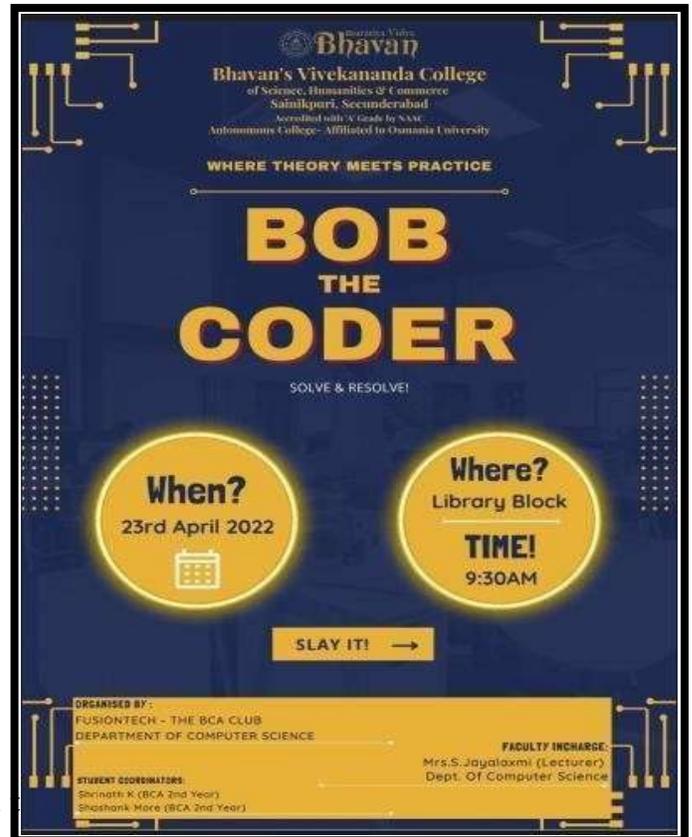

# **BOB THE CODER**

The Fusion Tech Club under the Department of Computer Science had organized the first offline Event called "Bob the Coder" for BCA 1st, 2nd and 3rd year students on 23rd April 2022.

It was a Quiz based event consisting of Technical Questions related to C++,Java and Python. Registration was open via Google Form and was circulated to all the class groups. A total of 28 registrations were received for the event.

To begin the event, participants were divided into teams of 2 and a total of 8 rounds were conducted. During each round, questions were asked to the teams and whoever gets it right would gain 4 points. A Bonus of 2 points was awarded their answer with the right explanation.

The participants were very enthusiastic and the event was full of excitement and learning. The event concluded with the declaration of winners.

**Winners of the event were:**

1st position was bagged by  
**Siddharth Puvvula and Riza Vasim**  
 from **BCA 3rd year.**

2nd position was bagged by  
**Siddhini Acchini and Abraham**  
 Shalom from **BCA 3rd year**

**3rd position was bagged by S. Siddharth and Nihesh** from  
**BCA 1st year.**

# GAMERS SQUARE

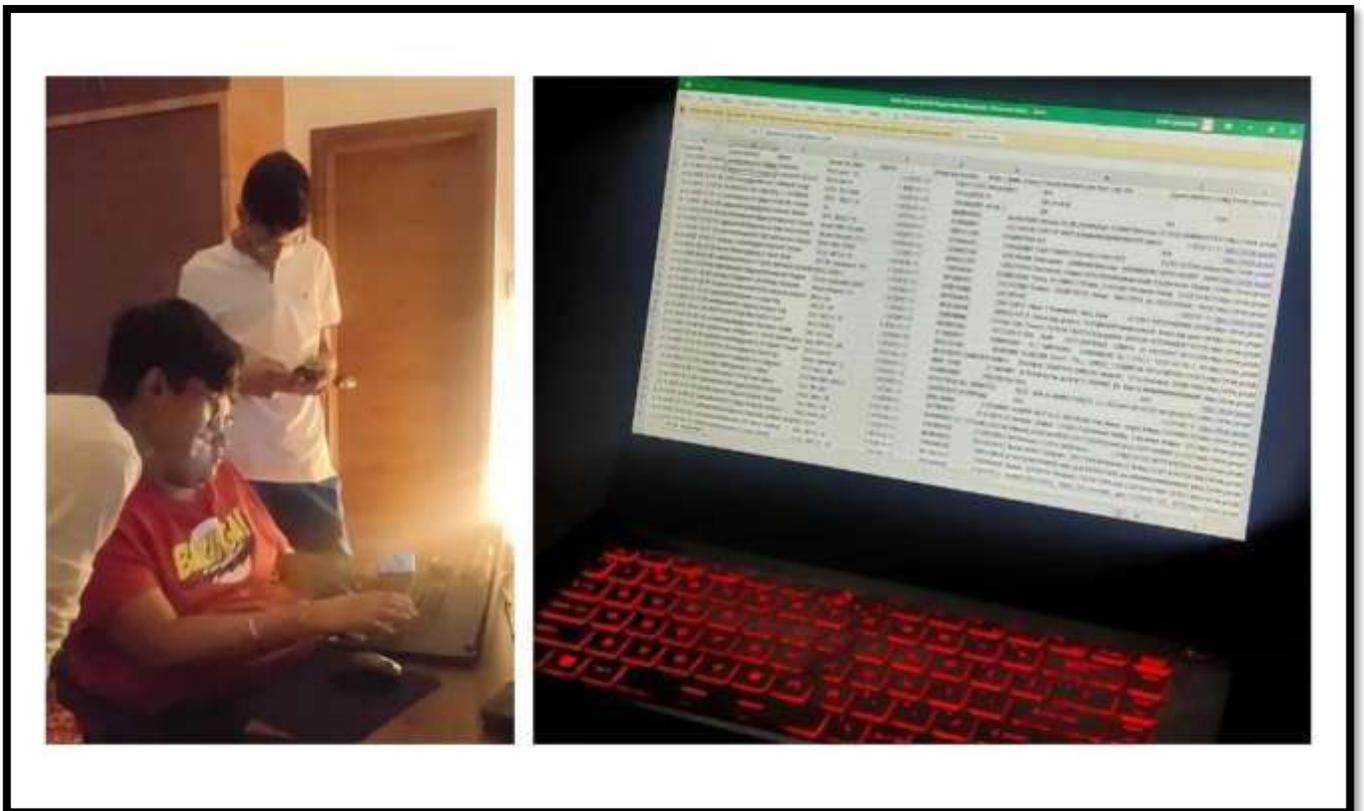

The Fusion Tech Club under the Department of Computer Science, organized an intra-college Gaming event on 16th April 2022 named, "Gamer's Square". It was streamed through an online multiplayer battle royale game known as "BGMI".

The event was conducted through the 'online mode' in which students from all streams of the college took part. A total of 228 registrations were received with great enthusiasm. The registered participants were grouped into Squads of 4, Duos and Singles.

The event was conducted via Rooms which were created by the Fusion Tech Team using Room Cards. All participants were divided into three groups. A total of 3 rounds of Classic matches were organized from which the first place and second place squads from all three groups were selected for the ultimate final round.

These squads were further a part of 6 TDM matches from which we got the first and second prize winners for the entire event. **The First price was bagged by Anuragh, Harsh,Sahil, Sameer and the second prize was backed by S.Aditya, K.Aditya, Shubham, Vansh**

# LOGOVILLE

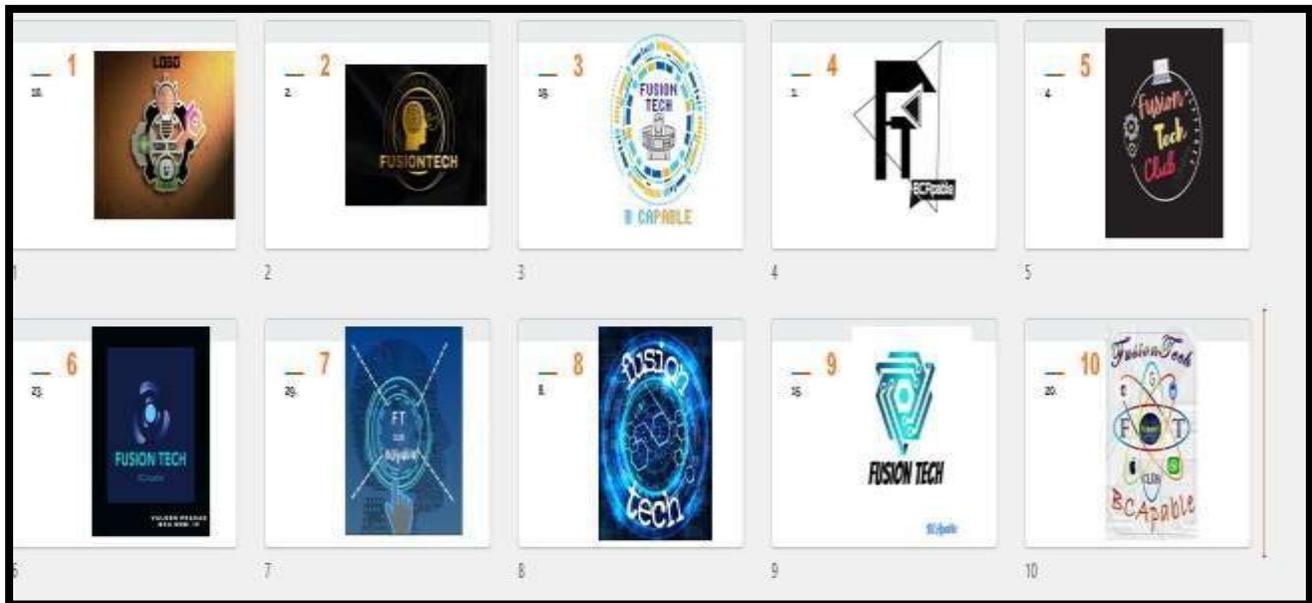

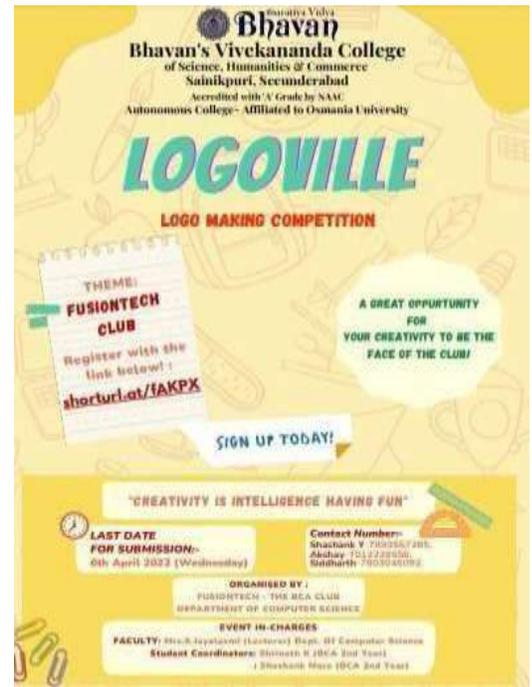

The FusionTech Club under the Department of Computer Science organized an online event called LogoVille which was a Logo Making Competition on 4th April 2022 for all BCA Students.

The main motive for this event was to select a Logo which would become the face of the Club for the upcoming years. The theme given was "FusionTech Club" with the tagline "BCA capable".

A total of 21 students participated and the students were allowed to give in multiple entries. We had received a total of Approximately 58 logos.

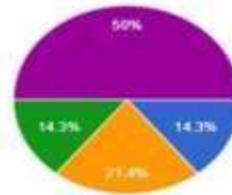

Further an internal poll was conducted in which 37 Logos were shortlisted. Shortlisting was done with the help of google forms which went for the official polling to both the faculty and current student members of the Club.

After evaluating the polls, the Top 10 logos were further sent to the Technical Faculty for further evaluation and top 3 were selected.

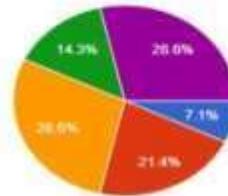

**Winners of the Event are:**

1st prize was bagged by  
P.Nehal Reddy from BCA 2nd year.

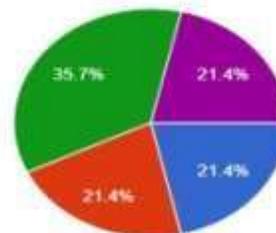

- 1
- 2
- 3
- 4
- 5

2nd prize was bagged by  
Adep Ajay from BCA 1st year.

- 1
- 2
- 3
- 4
- 5

3rd prize was bagged  
by Siddharth. S from BCA 1st year.

- 1
- 2
- 3
- 4
- 5

## **CONCEPTUAL PANTOMIME**

**A Challenge to Dramatize Your  
Subject Knowledge**

**Who can Participate?**

**All Students of**

**BCA**

**B.Sc**

**Organised By**

**Fusion Tech - The BCA Club**

**Department of Computer Science**

**Under DBT Star College Scheme**

## REPORT ON CONCEPTUAL PANTOMIME

Conceptual Pantomime is an online event that was conducted as part of the Fusion Tech Club activity in the month of December 2021. The event is about the students forming groups of 4-8 students each, to explain a Computer Science related concept through a Role Play.

Conceptual Pantomime was conducted in 2 rounds. In Round-1, the students were given the option to perform a Role Play on a concept of their choice. There were around 17 groups which participated in Round-1 very enthusiastically.

The video recordings of these Role Plays were judged and around 7 teams were shortlisted for Round-2.

For the 2<sup>nd</sup> Round of Conceptual Pantomime, the shortlisted groups were given a topic – “Cyber Threats- Causes and their Security Measures”, on which they had to perform a Role play and send the recorded video.

The event helped in students being able to understand and present the subject concepts in a more better and a clear manner.

A total of 119 students registered and participated in the event.

**Rules and Regulations for the Competition:**

- Team Size: 4-8 members
- Topic: Any topic related to the field of Computer Science
- Number of Rounds: 2
- Time Limit: 4 - 5 Mins.

**Send your preshooted video on the following mail id:**

**conceptualpantomime2021@gmail.com**

**Last Date for Sending the Video:**  
**1st Dec, 2021**

**Add-On's (Optional)**

- Background Music
- Usage of appropriate props
- Dress Code

**[For Registration - Click Here](#)**

**Details of Round 2 will be communicated later**

**Conceptual Role Play 2021-2022**  
**Participants list**

# TECHNOPHILIA

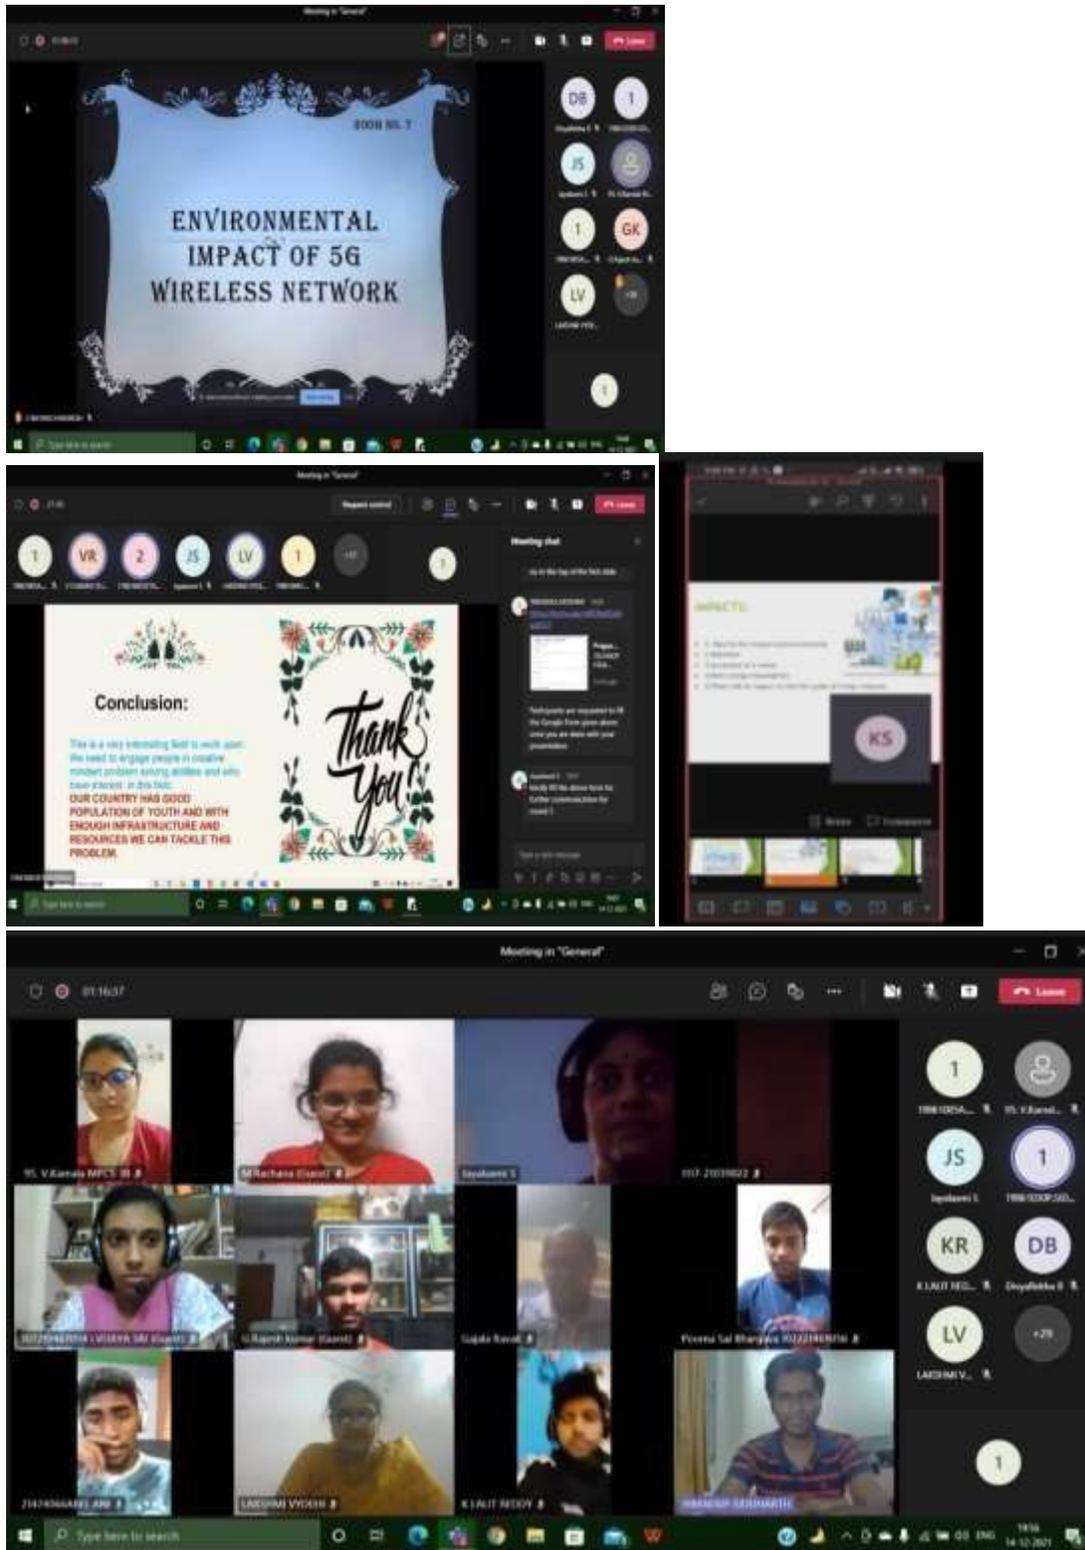

The Fusion Tech Club under the Department of Computer Science organized an inter collegiate event for the year 2021-2022 known as "Technophilia" - Where technology meets obsession & Big Brains.

The event was conducted in 'online mode', in which various students from different streams . Overall 30-35 different colleges from the twin cities of Hyderabad took part in the competition. A total of 320 registrations were received.

The first round "**Choose "IT" right!**" was conducted on 6th December 2021. A google form was circulated in a common group which included questions related to Basics of C, C++, Fundamentals of Cyber Security, IT Hardware and Information about leading companies around the world. A total of 255 participants were involved out of which 122 participants were qualified for the 2nd round.

The Second round "Group Discussion" was conducted on 14th December 2021, a total of 50 participants took part in this round. This was a Group Discussion (GD) round conducted using Microsoft teams Application. "All the students were given 15 topic on latest IT trends, and they were randomly divided into 7 rooms. Each group have to select a topic, discuss and project in the form of power-point presentation in three categories, objectives, impact of the topic, and the uses. The round was further carried on with the final presentation by the team and the best presentation was judged by Mrs. J.LAKSHMIVYDEHI, lecturer Department of Computer Science.

## Second Round (Group discussion) Using Microsoft Teams

The third round was a "E-Quiz" organized on 12th January 2022 overall 35 participants were qualified for round III. This was conducted on an online platform called Quizizz. Winners of round III were:

1. G.Rajesh Kumar from Little Flower Degree College.
2. Cyril Francis from Loyola Academy Degree and PG college.
3. S.HemaSaritha from Bhavan's Vivekananda College.

The winners were appreciated with certificate and memento on Charles Babbage day celebration 16/3/2022

# E-WASTE DRIVE

The Department of Computer Science had initiated an “E-WASTE DRIVE” organized by the Fusion Tech Club under DBT-Star College Scheme from 1<sup>st</sup> November 2021 within the college to encourage and spread awareness among the students to collect, deposit and extend their support towards responsible e-waste disposal. The Green Campus Programme Cell, in collaboration with Fusion Tech, NCC, Abhyas Club, VOICE club and the greNergy club of the college had organized

Waste Management Week, from 8<sup>th</sup> Nov, 2021 - 12<sup>th</sup> Nov, 2021.

There were various events organized as part of this Awareness programme. An internal campaign within the college was organized on 8<sup>th</sup> Nov, 2021, physically and on social media. A Door to Door campaign in the Defence Colony society on 9<sup>th</sup> of November 2021 was taken up. Students from the Fusion Tech Club along with 150 NCC Cadets and other clubs had participated in spreading awareness about proper waste and E-waste disposal in the society. As part of the campaign there was a lot of E- waste collected from the society like discarded Television, Computer(CRT) Monitors, Motherboards, Battery cells, iPods, Headset/Earphones, Calculators, Cellular Phones, Screen Guards, Keyboards, Mice, Cables, Compact Discs (CDs), DVDs etc.

## AWARENESS RALLY

On 11<sup>th</sup> November 2021, the FusionTech Club along with NCC and Abhyas Club organized an **“WASTE MANAGEMENT AWARENESS RALLY”**. BCA II and III Year students along with more than 150 NCC Cadets, faculty members took active part in the rally. The E-waste awareness rally began from the college till Neredmet at 3:00PM displaying banners and shouting slogans, spreading awareness about environmental hazards of E-waste.

## E-WASTE TO BEST:

The poster is for an event titled "E-WASTE TO BEST" organized by the FusionTech Club at Bhavan's Vivekananda College. The college is located in Sainikpuri, Secunderabad, and is accredited with an 'A' grade by NAAC. The event is an art and craft exhibition cum competition where students showcase their creative side by making something new out of discarded e-waste. The event is held on November 12, 2021, from 2:30 pm to 3:30 pm in the Science Quadrangle. The poster features a green background with a clock face made of e-waste components and a small image of a hard drive.

*Organized by  
Department of Computer Science*

On 12<sup>th</sup> November 2021, The FusionTech Club organized "**E-WASTE- TO- BEST**", an **Art and Craft Exhibition cum Competition**, which gave an opportunity for the students to showcase their creative side in making the best out of the e-waste. The aim of the exhibition was to re-purpose the e-waste into something new. The judge for the event was Dr K V Padmaja, an Agri-Envrionmental Scientist, who appreciated the efforts and creativity put in by the students in making their exhibits/models.

Winners for the event were decided by the Judge and were felicitated by mementoes on the valedictory.

There were around 26 students in 12 teams who participated from various streams.

Club activity for BCA 2 year 2021-22

On 28-10-2021, The first offline activity for the BCA 2nd year students was organised by the Fusion Tech Club of Department of Computer Science. A total of 26 students participated in this activity.

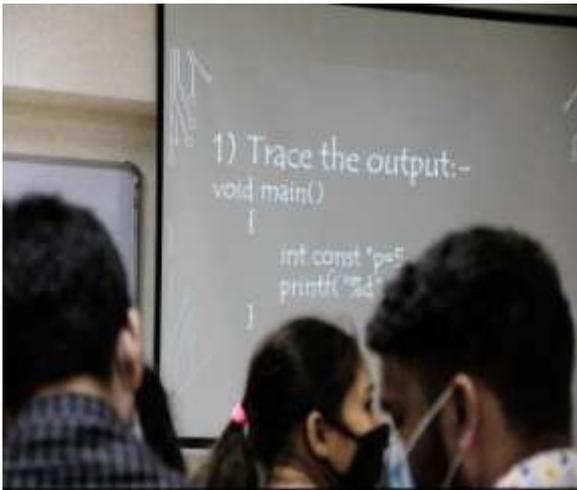

The first round was "**GETCH()**" – get the output or error. A total of 20 question on C and C++ code were projected with 2 minutes for each (question) to solve. The students were divided into 11 teams and each group consist of two members. And 9 teams were qualified for the 2nd round.

The 2nd round was "ACT IT OUT". In this round one of the students in the team is asked to enact and the other member have to

guess the word related to c,c++ concepts with in 60seconds . This round was conducted in 3 cycles and the teams with high score were declared as winners. Team 10, 4,2,1 were selected as winners and runners.

## Round -1 "GETCHO" – get the output or error

## WINNERS OF CODEJAM BCA 2<sup>ND</sup> YEAR

**Mr. Sharath**

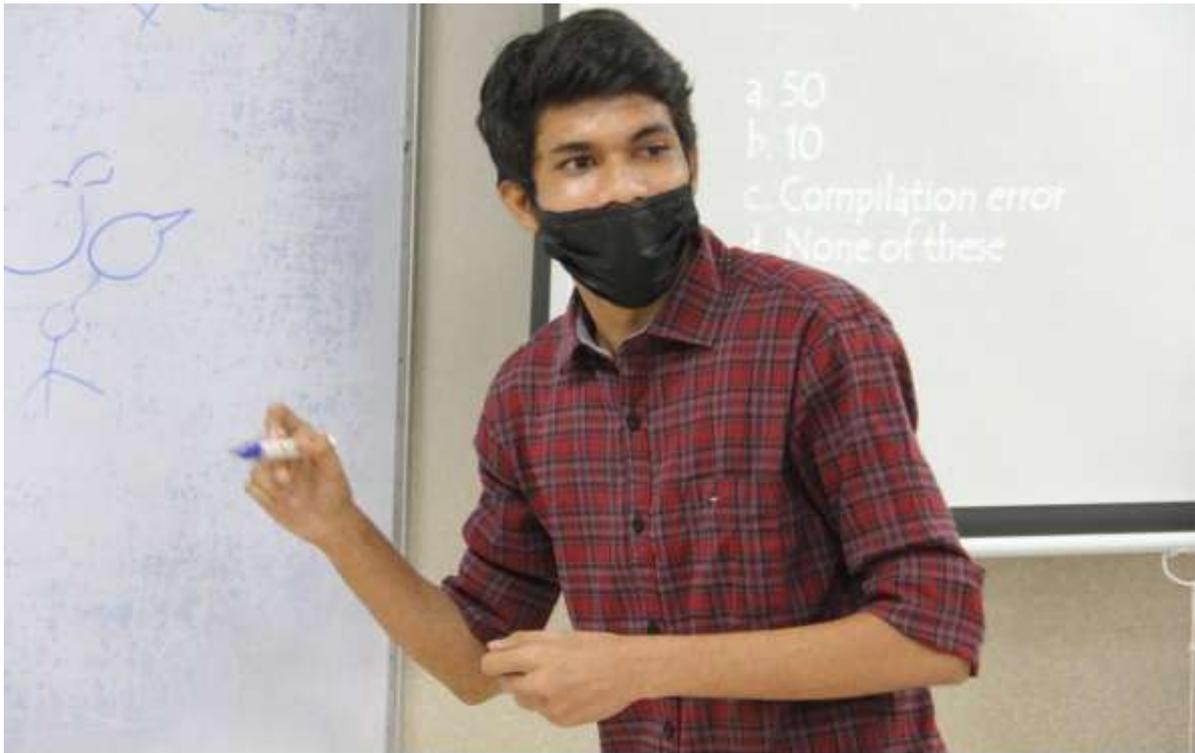

**3rd place : Team 2**  
**Ms. A. Srija Reddy &**  
**Ms. P. Geetika Reddy.**

# FUSION TECH TEAM 2021-2022

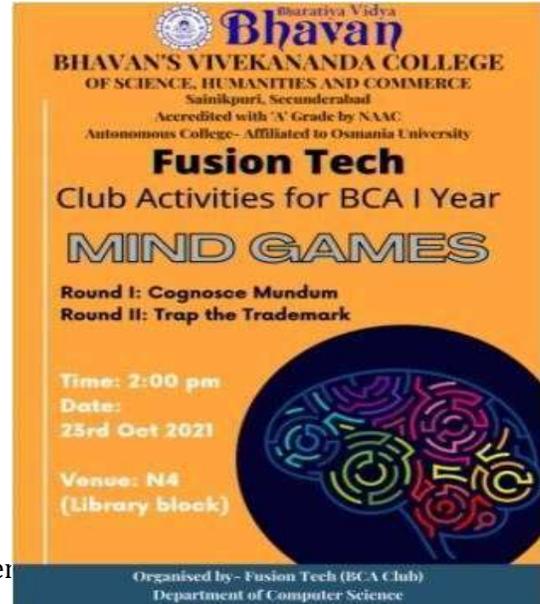

# Mind Games

Club activity for BCA 1<sup>st</sup> year

Fusion Tech Club of the Department of Computer Science had organized its first offline activity for the academic year 2021-22, for the BCA 1<sup>st</sup> year students on 23<sup>rd</sup> September 2021.

A total of 40 students had participated in this activity. The first round was named "COGNOSCE MUNDUM". A google form was circulated in the class group which included questions on Current Affairs in the Technical World. 8 teams were short-listed from this round, with 2 members in each team, for the 2<sup>nd</sup> round.

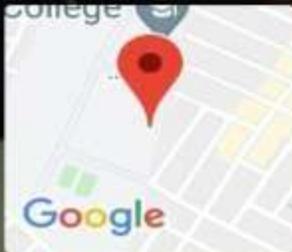

The 2<sup>nd</sup> round was named "TRAP THE TRADEMARK" where the logos of various well-known companies, airlines, production companies, movies, etc.. By the end of this round, Mr. Dig Vijay and Mr. Shoeb Khan (Team 1) stood as the winners of the round while Mr. Bhavana and Ms. Ankit (Team-8) were the runners. ## **INDUCTION PROGRAMME FOR BCA 1<sup>st</sup> YEAR 2021-22**

On 18<sup>th</sup> September 2021, An online Induction Programme for BCA 1<sup>st</sup> year students was organized by the Department of Computer science and fusion tech (BCA) Club. A total of 65 students participated in this programme through Microsoft Teams.

The induction programme was commenced by welcoming the students of BCA 1<sup>st</sup> year. The objective of this programme was to familiarize the students to the new environment and get them accustomed with the culture of the college. The students were addressed by the Principal of the College Prof. Y. Ashok. To mark the beginning of the academic year and induction programme, Mr. G. Mahesh Kumar (Coordinator) and Mrs. K. V. B Saraswathi (HOD) appealed the students to utilize maximum resources at the most of their capacity for extracurricular and co-curricular activities. All the faculty members of the department were introduced to the freshers. Alumni Mr. Bharat Jain and Mr. Tarun Rajwere invited to share their experiences and

also to motivate the students.

The program followed by the introduction of Fusion Tech club and its activities by **Ms. Jayalakshmi** lecturer Department of computer science Fusion tech club in charge. BCA 3<sup>rd</sup> year fusion tech club co- ordinators briefed about various department of the club and their functioning. BCA 1<sup>st</sup> year students shared their opinion and feedback about the programme, followed by Vote of thanks by Mrs. Jayalaxmi.

**"The programme was really a great success."**

Day 4 induction program for freshers under Creative art and culture category was conducted on 20th September 2021. Online Induction Programme for the BCA and BSc(HDS) 1st year students organised by the Fusion tech club member 2020-2021 under the supervision of Event in charge Ms. Jayalaxmi lecturer in Department of Computer Science. A total of 90 students participated in the programme on Microsoft Teams platform.

Event was divided into 3 modules with different activities as :

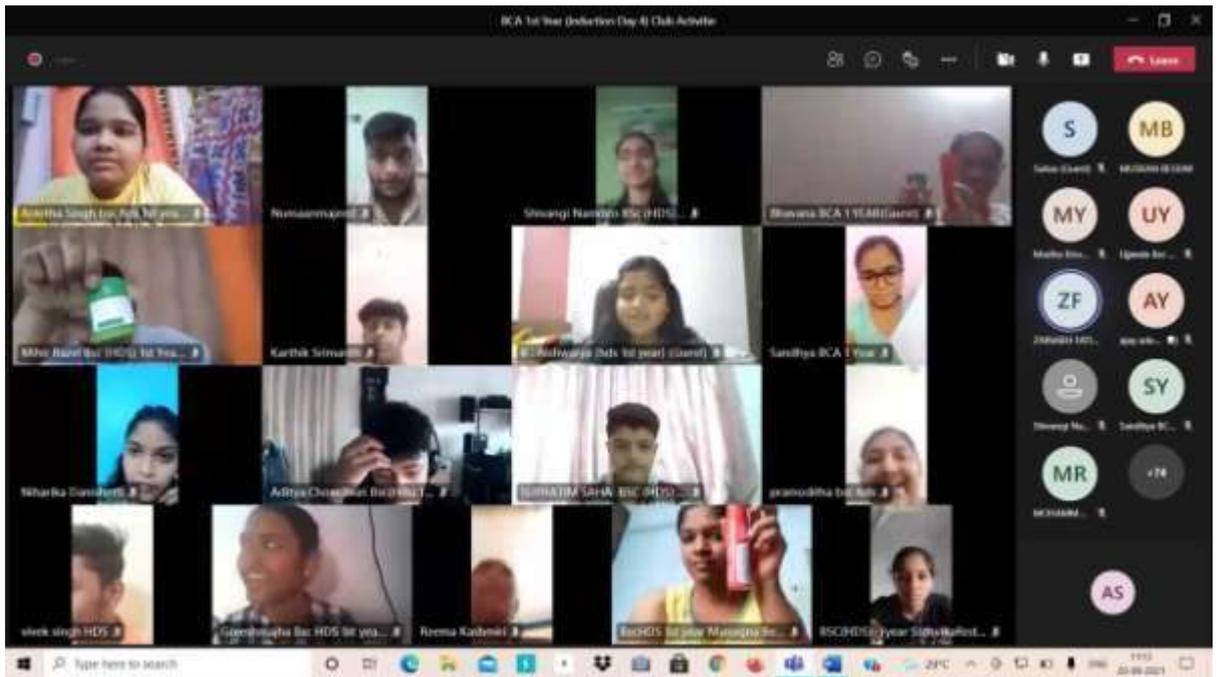

1. Filmy Dunia
2. Scavenger hunt
3. Grid IT

- The first activity Filmy Dunia was an activity where students had to guess the song or movie by seeing the picture/emoji presented.

- The second activity Scavenger Hunt, in this activity students were asked to switch on their video and they were asked to get few items asked by host and show with in a time limit and who ever gets the item first were the appreciation.

- The last activity Grid-IT, in this activity they were given few topics from which the students had to select one topic and make a collage/poster relating the topic. Students were divided into rooms, there were 5 rooms. Each room had a fusion tech head for guiding and there were 5 posters in total.
- The winners were declared by polling.
- The event ended with the feedback and reviews given by 1st year students
